

Summer Studentship Scheme, 2010

Institute of Psychological Sciences

Congratulations to all the successful applications for summer studentship places this year. We had 11 successful applications to 4 external awarding bodies. The Level 2 students in the table below will be working as paid research assistants over the summer holidays on projects running for about 8 weeks. We received 1 out of 5 bursaries awarded by the EPS, and 1 of the 10 awarded by the BPS. The Nuffield Foundation only awarded 424 bursaries from 813 highly competitive applications.
